I work out everyday in a CrossFit gym that is open.
 With people.
 Gyms are small businesses that have been devastated by the government mandated shut downs.
 In DC, NOTHING is open bc of Democrat tyrannical control.
 So here's my hotel room workout.
 We must FULLY reopen!

 These media losers just continue to lie.
 As a former CrossFit gym owner and competitor,

about drop-ins.

These gyms are FORCED by DC's Democrat mayor to RESTRICT access.

It doesn't take more than a Google search.

I do what you're doing, without a gym, for 2 hours a day at home since March. We can all stay in shape without killing people in the process.

You're lying. In fact, in DC, gyms are open as part of the phase 2 opening. You also have to wear a mask while there. You are not even sworn in and lying like a typical shameless Maga Republican. What a blight on the nation state and a stain on your state.
